

The Future of Volunteering

**Setting the scene:
what does volunteering
look like locally?**

**What are the challenges around
volunteering in our local area?**

**What are the opportunities
around volunteering in our local
area?**

The Vision for Volunteering is a movement to create a diverse, innovative, ambitious, equitable and person-centred future for volunteering.

So do communities.

The Vision for Volunteering tackles five key themes:

- Awareness and appreciation
- Power
- Equity and inclusion
- Collaboration
- Experimentation

What do these themes mean to you, in relation to volunteering in your local area?

What actions can you take to start working towards the future described in each theme?

Break

What first steps will you take to start working towards the actions you have identified?

Who needs to be involved in conversations?

How can you ensure that volunteers are at the centre of discussions?

**What inspires you about
the future of volunteering?**
